

April

Welcome Spring!

April 3, 2018

Dear Verdun Families,

As we enter into the final term together, I would like to take a moment to thank you for your continued support towards the students of VES and the VES community. We have focused upon a number of initiatives this year that have led to an increase in active learning, students becoming more in-tune with what works best for them as learners, and teaching strategies to improve stamina and concentration. Throughout this year, we have kept student progress and evaluation in the forefront, and we look forward to seeing our students continue to blossom during this time of renewal and growth.

Sincerely,
Sandra Luther
Principal
