## **Students with Special Needs**

Please note that some students with special needs are provided with an individualized program to meet their needs. Their programs, including the evaluation and reporting procedures, may differ from those described in these pages. The teachers, in collaboration with the school's resource department, develop Individual Education Plans (IEPs) that outline the individualized programs, strategies implemented as well as resource support measures.

<b>You will receive the following official communications</b>	
<b>Interim Report</b>	On October 15 <sup>th</sup> , you will receive the interim report card including comments on your child's learning and behavior.
